

Machine Name : CNC lathe

Brand : Tsugami

Machine Model : M08SJ

Stock No. : 89513

Ex-factory Date : 2021

Main Technical Parameters:

CNC CNC System: FANUC

X*Z travel: 325*330mm

Maximum machining length: 380mm

Maximum machining diameter: 280mm

Maximum rotational diameter: 280mm

The diameter of spindle through hole is 65mm

Spindle speed: 4500rpm

spindle motor power: 7.5/11 kW

Configuration

12-position private server dota

Oil-cooled chiller

Two-axis rigid guideway
