Machine Name : Turn-milling machining Center

Brand : OKUMA

Machine Model : V100R

Stock No. : 89517

Ex-factory Date : 2011

Main Technical Parameters:

CNC CNC System: OSP-P200LA

Maximum machining length: 889mm

Maximum machining diameter: 1000mm

Maximum rotational diameter: 1250mm

chuck diameter: 1000mm

12-position chuck

Configuration

With a glass scale

Equipped with a Tool Aligner

precision: Mu grade
