

Machine Name : CNC lathe

Brand : Nakamura

Machine Model : WY-100II

Stock No. : 89552

Ex-factory Date : 2018

Main Technical Parameters:

machining diameter: 175mm

machining length: 588mm

Bar machining diameter: 42mm

spindle speed: 6000rpm

6-inch chuck

Optional 12 workstations and 24 indexing

magazine capacity: 48 (maximum)

Equipped with an automatic chip conveyor

Y-axis double tool turret
