

**Machine Name : For sale second-hand
DMG DMU 60 evo CNC 5 axes
simultaneous control machining center,
second-hand imported 5 axes horizontal
machining center supply**

Brand : DMG

Machine Model : 2047

**Stock No. :
49d680ac320054be508fcfd578a8be953**

Ex-factory Date :

Main Technical Parameters:

Brand: DMG Newness: 80% new drive Method: Combined drive Degree of Automation:
Automatic WorkWorktable size :2000*4700mm Equipment Location: Shanghai Equipment
Production Origin: Germany Available for sale: Nationwide Type: CNC machine tool Model
:2047 For sale second-hand DMG Giant Wave DMU 60 Detailed introduction of evo CNC 5
axes simultaneous control machining center second-hand imported 5 axes horizontal
machining

:

For sale second-hand DMG Julang DMU 60 evo CNC 5 axes simultaneous control machining
center, second-hand imported 5 axes horizontal machining center

Full payment made:

1. Japan imported Kitamura lathe: 1 unit
2. Japan Sakazaki: : : CNC multi-axis milling machines: : : 3 units
3. Gantry friction welding. One unit 2016
- Four sets of German Julang 800 5 axes 5 simultaneous movement machining center
5. FEELER VB-825 Vertical machining center with tools magazine: one unit
6. Original Japan Yuanshu 800x800 horizontal machine, with dual workstations and high

precision

7. Mazak CNC lathe QTN200: Two units
8. One dmu 50 5 axes four-simultaneous movement CNC System from DMG
9. Two DMG dmu 60evo 5 axes 5 simultaneous movement units
10. Two HAAS VF2ss Vertical machining center from the United States
11. Taiwan Zhuxin De CNC double-head internal cylindrical grinding machine, not in use
12. Mazak CNC turning and milling QTN200M: One unit
13. DMU50 Demag 5 axes simultaneous control machining center: Sold
14. One DMG CTX310 CNC lathe
15. One DMG CTX310 CNC turning and milling machine
16. Zeiss Large Coordinate Measuring Machine I
