

Machine Name : Horizontal machining center

Brand : Mitsubishi

Machine Model : M-H60C

Stock No. : 66485

Ex-factory Date : 1993

Main Technical Parameters:

The 3 axes rigid guideway track is bright and free of wear

three-axis travel: 1000*800*800mm

Worktable size: 630*630mm

Worktable indexing: 0.001°

spindle: BT50

Spindle speed: 6000rpm

gear spindle

spindle motor: 18.5KW

CNC System: Mitsubishi M335

40 tools in a chain-type tools magazine

Equipped with a twin-screw pin changer

Full close loop with glass scale
