

Machine Name : Cylindrical grinder

Brand : PALMARY

Machine Model : OCD-2040

Stock No. : 66487

Ex-factory Date : 2010

Main Technical Parameters:

The maximum distance between the two cores is 400mm

Maximum rotation diameter of worktable: 200mm

The maximum load-Load of the two-top heart is 60kg

Maximum external diameter for grinding: 180mm

fast movement rate: 6m/min

Minimum set value: 0.001mm

Automatic rapid movement distance: 40mm

Rotation Angle: -3 to +10 degree
