

Machine Name : Turn-milling machining Center

Brand : Mori Seiki

Machine Model : ZL-25

Stock No. : 66560

Ex-factory Date : 2007

Main Technical Parameters:

Spindle speed: 4000 rpm

Maximum machining diameter: 356mm

Maximum machining length: 705mm

Turret Accessories: 12 workstations

indexing precision: 0.001°

Repeated Positioning precision: $\pm 0.003\text{mm}$
