

Machine Name : CNC lathe

Brand : OKUMA

Machine Model : L270-II

Stock No. : 66561

Ex-factory Date : 2016

Main Technical Parameters:

CNC System :OSP-P20L-R

guideway: rigid guideway

machining diameter :270mm

machining length :280mm

It is equipped with an 8-inch hydraulic chuck and a hydraulic tailstock

Spindle speed :4500rpm

Through hole: 52mm

Dota: 8

X-axis travel: 310mm

Z-axis travel: 320mm

Chain-type chip conveyor
