Machine Name : Three-coordinate measuring instrument

Brand : HEXAGON

Machine Model : TIGO SF

Stock No. : 489276

Ex-factory Date : 2021

Main Technical Parameters:

Measurement travel: 500*580*500mm

The maximum weight of the workpiece under test: 100KG

The maximum allowable error for length measurement (0, MPE) : 2.3+L/300

The maximum allowable error for length measurement (60, MPE) : 2.3+L/300
