

Machine Name : machining center

Brand : Leadwell

Machine Model : MCV-2000

Stock No. : 89692

Ex-factory Date : 2012

Main Technical Parameters:

CNC CNC System: FANUC MD

three-axis travel: 2000*1000*900mm

3 axes rigid guideway

spindle: BT50

magazine capacity: 24, tool arm type

Configuration

Equipped with four helix chip conveyors

oil chiller
