

Machine Name : Vertical machining center

Brand : JIRFINE

Machine Model : EV850B

Stock No. : 89698

Ex-factory Date : 2025

Main Technical Parameters:

CNC CNC System: Mitsubishi M80

spindle: BT40

Spindle speed: 12,000 resolutions

three-axis travel: 820*550*550mm

Worktable size: 1000*500mm

guideway: 3 axes roller linear guideway

magazine capacity: 24, tool arm type

spindle power: 15kw

Usage time: several hundred hours
