

**Machine Name : Vertical machining center**

**Brand : Takisawa**

**Machine Model : TV189-L2**

**Stock No. :  
5d35ec5b2763a70674316464af62c737**

**Ex-factory Date :**

**Main Technical Parameters:**

Three axis stroke: 1800 \* 900 \* 800mm

Distance from spindle center to column guide rail: 655mm

Distance from spindle end face to worktable: 160-960mm

Table size: 2000 \* 900mm

Bearing capacity: 1600kg

T-line slot: 5-22 \* 165mm

Spindle motor: 18 / 22kw

Magazine capacity: 24

Weight: 13000kg

Overall dimension: about 4200 \* 3800 \* 3500mm

Wire rail, BT50 spindle, wall mounted magazine with knife, FANUC MF system
