

Machine Name : Horizontal Machining Center

Brand : HYUNDAI WIA

Machine Model : HS5000/50

Stock No. : 89754

Ex-factory Date : 2016

Main Technical Parameters:

CNC System: FANUC

Rapid Traverse (X/Y/Z): 60 m/min

Travel (X/Y/Z): 850 × 700 × 750 mm

Structure Type: High-speed vertical machining center

Guideway Structure: Positive T-type linear guideway

Guideway Type: Roller guideway

Worktable Type: Rotary dual-pallet changer

Worktable Size: 500 × 500 mm

Spindle Type: Electric spindle

Spindle Taper: BBT50

Maximum Spindle Speed: 12,000 rpm

Through-Spindle Coolant (CTS): Standard

Spindle Cooling System: Standard

Tool Magazine Capacity: 40 tools

Chip Removal System: Chain-type chip conveyor
