

Machine Name : Horizontal Machining Center

Brand : EXTRON

Machine Model : LH117

Stock No. : 66700

Ex-factory Date : 2016

Main Technical Parameters:

worktable measures 1260mm by 700mm

Diameter of the CNC rotary Worktable: 700mm

1 degree point

travel : 1100 × 815 × 900 mm

The maximum height of the workpiece is : 815 mm

magazine capacity : 40 pieces

The weight of the machine tool : approximately 10,500 kg
