

Machine Name : Cylindrical grinder

Brand : Shigiya

Machine Model : GP-45.150

Stock No. : 4466188

Ex-factory Date : 2011

Main Technical Parameters:

Rotary diameter: 450mm

machining length: 1500mm

grinding wheel diameter: 600mm

spindle rotation and swing Angle: 120°

Working Spindle speed: 13-200rpm

Top taper: MT5

spindle travel: 45mm

The maximum counterclockwise swing range is 7°

The maximum clockwise swing range is 2°
