

Machine Name : 5 axes machining center

Brand : DMG

Machine Model : DMF260

Stock No. : 489494

Ex-factory Date : 2011

Main Technical Parameters:

CNC CNC System: Heidenhain iTNC530

three-axis travel: 2600*1000*1000mm

B-axis travel: ± 110 degree

Worktable size: 2600*1000mm

Spindle speed: 10,000 resolutions

spindle: JT50

magazine capacity: 60, chain-type

With a 40KG center flushing outlet

Equipped with the original DMG probe
