

Machine Name : Surface grinder

Brand : PROTH

Machine Model : 3060

Stock No. : 66730

Ex-factory Date : Supplementary

Main Technical Parameters:

Maximum travel (width × length): 340×700mm

Distance from the worktable surface to spindle center : 490mm

Countertop area : 300×600mm

Worktable left-right speed (60HZ): 1-25(0.3-25)m/min

machining precision: 300:0.005mm

Surface roughness : $Ra \leq 0.25\mu m$

hydraulic horsepower : 1.5KW/2HP

grinding wheel Footage (external diameter × width × Internal diameter): 175×13 to 19×31.75mm

spindle horsepower : 2.2kw/3HP

grinding wheel speed : 3000/3600 r.P.
