

Machine Name : Automatic lathes

Brand : STAR

Machine Model : SR-20 J type C

Stock No. : 66773

Ex-factory Date : 2014

Main Technical Parameters:

CNC CNC System: FANUC 31i-MODEL B

Maximum machining diameter: 20mm

Maximum machining length: 205mm

Maximum drilling capacity: 10mm

Maximum Spindle speed: 10,000 RPM

Configuration

Transformer

high pressure pump

Water Water tank

Electric rotating guide sleeve

Aines feeding machine

Oil mist collector
