

Machine Name : CNC turning lathe

Brand : GOODWAY

Machine Model : GLS 2000Le

Stock No. : 66790

Ex-factory Date : 2022

Main Technical Parameters:

CNC CNC System: FANUC oi-TF

Maximum rotation diameter: $\phi 560\text{mm}$

Maximum turning diameter: $\phi 420\text{mm}$

Hydraulic chuck: 8 inches

spindle through hole diameter: $\phi 66\text{mm}$

Bar stock diameter: 51mm

spindle nose: A2-6

spindle bearing diameter: $\phi 100\text{mm}$

Spindle speed: 4200rpm

spindle motor power: 11/15 KW

The maximum travel of the X*Z axis: 230*630mm

Maximum feed on the X*Z axis: 30m/min

Turret position: 10

guideway: Linear guide

Machine weight: 3400kg

Machine Footage (length * width * height) : 3612*1780*1716mm
