

Machine Name : Horizontal Machining Center

Brand : TOYODA

Machine Model : FA800S

Stock No. : 89888

Ex-factory Date : 2011

Main Technical Parameters:

CNC System: FANUC 31i-MODEL A
Worktable size: 800 × 800 mm, rigid guideway
Three-axis travel: 1350 × 1150 × 1150 mm
Tools magazine accessories (optional):
Magazine capacity: 60, indexing resolution 0.001°
Magazine capacity: 190, 0.001° per step
Tool holder specification: BT50
Spindle speed: 6000 rpm
Optional functions:
30 kg spindle with through-spindle coolant
Renishaw probe
Tool breakage detection device
Chip flushing
Top spray
Usage: approximately 10,000 hours
