

Machine Name : Wire cutting machine

Brand : Makino

Machine Model : U6

Stock No. : 89919

Ex-factory Date : 2024

Main Technical Parameters:

Three-axis travel: 650*450*420mm

U*V axis travel: $\pm 75^{\circ} \pm 75^{\circ}$ mm

Worktable size (square) : 910*710mm

Worktable size (U type) : 910*710mm

Maximum workpiece size: 1000*800*400mm

Maximum dielectric level: 455mm

Maximum workpiece weight: 1500kg

Worktable height: 1000mm

Electrode wire diameter: 0.1/0.15/0.2/0.25/0.3mm

Maximum taper: $\pm 15^{\circ}$ /100mm

Machining tank capacity: 920L

Ion exchange resin tank: 20L

Machining fluid filter: 2/4

Machine tool size: 2273*2908*2350mm

Dimension: 2700*4310mm

machine tool weight: 5300kg
