

Machine Name : CNC turning lathe

Brand : MAZAK

Machine Model : QUICK TURN 200

Stock No. : 89926

Ex-factory Date : 2009

Main Technical Parameters:

Machining Length: 500mm

Maximum rotational diameter: 660mm

Maximum machining diameter: 380mm

Spindle speed: 4000rpm

X*Z-axis travel: 210*560mm

Configuration:

10-inch chuck

12-position

Equipped With tailstock

Equipped With a chip conveyor
