

Machine Name : CNC inclined lathes

Brand : Liwei

Machine Model : T-5

**Stock No. :
32e2e5d4971eb8887f6145fdd0c335f7**

Ex-factory Date :

Main Technical Parameters:

The maximum rotation diameter is 670, the maximum processing diameter is 450, the maximum processing length is 2020, X / Z: 250 * 2050, 10 inch chuck, 12 knives, with tailstock, with cutting machine, Frank 0i-tf system, and the spindle power is 18.5kw
