

Machine Name : CNC turning lathe

Brand : GOODWAY

Machine Model : GA3600

Stock No. : 66889

Ex-factory Date : 2014

Main Technical Parameters:

CNC CNC System : FANUC

15-inch hydraulic chuck

A2-11 spindle

Through hole: 120mm

machining length: 900mm

Rotary diameter: 930mm

Effective turning diameter: 680mm

10-station heavy-duty tool turret

Two-axis rigid guideway machine with a leading head for cutting
