

Machine Name : CNC turning lathe

Brand : Leadwell

Machine Model : F1

Stock No. : 810027

Ex-factory Date : 2017

Main Technical Parameters:

CNC System: FANUC Oi-TF

Main motor power: 11KW

Maximum machining Length: 420mm

Maximum machining Diameter: 280mm

Maximum rotational Diameter: 446mm

Spindle through hole Diameter: 51mm

Configuration:

Hydraulic tailstock

Chain-type chip conveyor
