

Machine Name : Horizontal machining center

Brand : Hanchuan

Machine Model : HMC630

**Stock No. :
5d783a9f0474d67df62fd7536bd215cf**

Ex-factory Date :

Main Technical Parameters:

Table size: 630 x630mm

The workbench bearing: 500 kg

Workpiece diameter/height: 1200/1100 mm

The X axis stroke: 680 mm

Y axis stroke: 650 mm

The Z axis stroke: 650 mm

Spindle end face to the workbench center distance: 105-755 - mm

The dimension from the centerline of the main shaft to the workbench: 5-655 - mm
