Machine Name : Horizontal Machining Center

Brand : LEWE

Machine Model : LW-1814

Stock No. : 466907

Ex-factory Date : 2024

Main Technical Parameters:

Two linear guideways and one rigid guideway

XZ German Inna linear guides

Y-column rigid guideway

WorkWorktable size: 2000x900MM

three-axis travel: 1800x1400x850mm

CNC System: FANUC MFplus

Imported version of Alpha drive

spindle: BT50

Spindle speed: 6000rpm

High-power motor

Twin-screw chip conveyor

It comes with a brand new unused 90° Vertical backrest

machine only takes 3,000 hours.
