

Machine Name : CNC turning lathe

Brand : SMTCL

Machine Model : CAK5085

Stock No. : 810621

Ex-factory Date : 2021

Main Technical Parameters:

CNC System: Guangshu 980TDi

Machining length: 1000 mm

Machining diameter: 500 mm

Configuration:

Three-thousand-li hollow 10-inch hydraulic chuck

Servo spindle

Three-speed electromagnetic clutch with automatic gear shifting

Stepless automatic transmission within gears

Dimensions (L x W x H): 2800 mm x 1600 mm x 1750 mm

Weight: 2.8 tons
