

Machine Name : Vertical machining center

Brand : Jirfine

Machine Model : VMC1890

**Stock No. :
d5513864e715a5a327aa586fc7e06d98**

Ex-factory Date :

Main Technical Parameters:

XYZ axis stroke: 1800*900*800mm

Distance from spindle nose to worktable: 210-1010mm

Distance from spindle center to column track surface: 970mm

Table size: 1970*1000mm

Weight: 2200 kg

T groove number 7

T groove size 18mm

T groove distance 120mm

Spindle speed: 6000rpm

Spindle horsepower maxHP: 30 (22) kW

Spindle end specification: BT50(belt type)

Mechanical weight :16400kg

Mechanical size :5100*3400*3200mm

System: Mitsubishi System

Hard rail manipulator knife library
