

Machine Name : Vertical Machining Center

Brand : YCM

Machine Model : TV2110B

Stock No. : 810636

Ex-factory Date : 2019

Main Technical Parameters:

CNC System:FANUC XP-200FB

Spindle speed:10000rpm

Spindle:BT50, gear drive

Spindle power:18.5kW / 22kW

Three-axis travel:2100*1020*762mm

Configuration:

Renishaw probe

Renishaw laser inspection

Equipped with an oil chiller for spindle

With three Chip conveyor

With a Tool Aligner

With an oil mist collector
