Machine Name : CNC turning lathe

Brand : SCANVIA

Machine Model : T3000EX

Stock No. : 810756

Ex-factory Date : 2017

Main Technical Parameters:

CNC System: Mitsubishi
Y-axis travel: 100 mm
Servo spindle speed: 4000 rpm
Positioning method: Hydraulic positioning
Configuration:
Japan THK roller guideways
Equipped with an automatic material receiving conveyor belt
Equipped with a hydraulic feeding machine
