

**Machine Name : CNC inclined lathes**

**Brand : Hardinge**

**Machine Model : GS200plus**

**Stock No. :  
082361e341ed7dda93c03da58087f248**

**Ex-factory Date :**

**Main Technical Parameters:**

Main motor power: 11KW

High spindle speed: 5000RPM

Spindle output torque: 114/15min

Bed diameter: 457mm

Length of workpiece: 406mm

Machining workpiece diameter: 284mm

Overall size: 1998x1650x1787mm

Weight: 2800 kg

System: Fanuc Oi-TD

12 position tool rest with tailstock

8 inch chuck cutter tower
