

Machine Name : CNC slant bed lathe

Brand : HISION

Machine Model : TC35/2000

Stock No. : 810852

Ex-factory Date : 2024

Main Technical Parameters:

CNC System: FANUC TFplus

Machining Diameter: $\varnothing 630$ mm

Machining Length: 2000 mm

Swing Diameter: $\varnothing 700$ mm

Configuration:

Motor Drive: α motor (high-spec)

Heavy-duty Hydraulic Tailstock

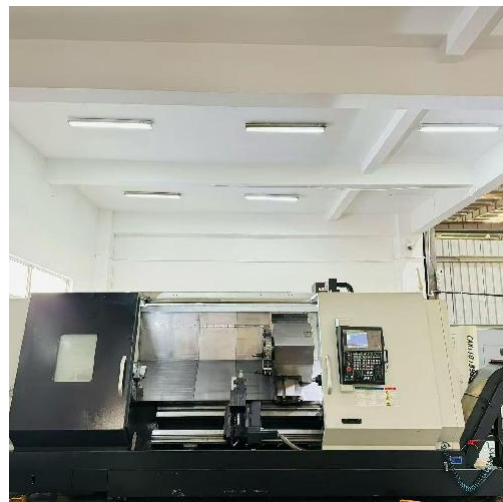

Hydraulic Center Rest: $\varnothing 170$ hydraulic center rest

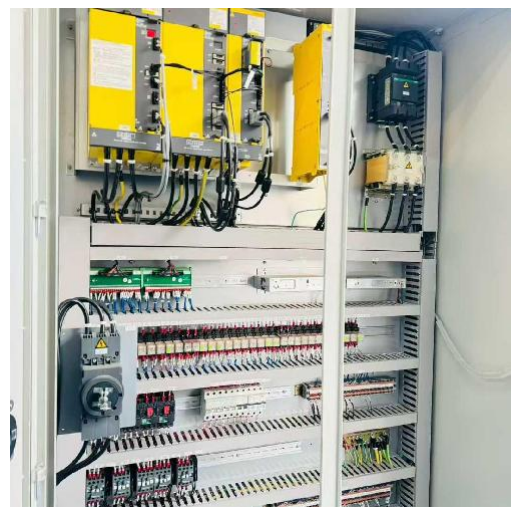

Tool Turret: Taiwan Liuxin 12-position hydraulic tool turret

Chip Conveyor: Chain-type chip conveyor

Hydraulic Chuck: 18-inch hydraulic chuck (optional)

High-pressure Water Flushing Outlet for Tool Turret: (optional)

PamtonSchnell
