Machine Name : Cylindrical grinder

Brand : MSO

Machine Model : R-338/2500 CNC

Stock No. : 810864

Ex-factory Date : 2005

Main Technical Parameters:

CNC System: Siemens 840D
Center height: 338mm
Swing diameter: 676mm
Machining length: 3500mm
Configuration:
The grinding head can swing left-right at an Angle
Equipped with SBS grinding wheel dynamic balancing device
End face measuring instrument

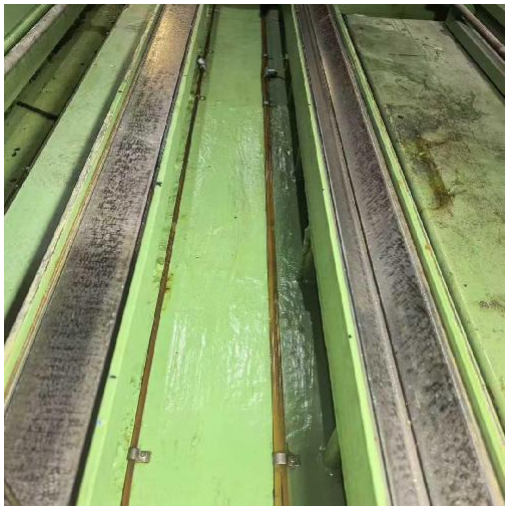

PamtonSchnell

SBS Balance System
SIEMENS
POWER
TEMP
