

Machine Name : CNC turning lathe

Brand : Sogotec

Machine Model : TTC-35L

Stock No. : 810931

Ex-factory Date : 2014

Main Technical Parameters:

CNC System: FANUC OI-MD

Machining Length: 1500mm

Spindle Power: 18.5 kW (standard) / 22 kW (optional)

Configuration:

10-position turret

15-inch hollow chuck

Equipped with a chain chip conveyor

USB interface

Attachments and Documents:

The instruction manual and maintenance manual are complete.
