

Machine Name : Conventional trucks

Brand : Delong

Machine Model : X6000

Stock No. : 810935

Ex-factory Date : 2023

Main Technical Parameters:

Engine: Weichai 610 horsepower with thermal efficiency

Transmission: FAST AMT automatic transmission

Hydraulic Retarder: Equipped with a hydraulic retarder

Speed Ratio: 2.643

Wheel Configuration: Aluminum wheels at the front, steel wheels at the rear

Tires: All 8-layer new tires on the vehicle

Heating System: Diesel-powered warm air system

Horn: Scania horn

Actual Mileage: 340,000 kilometers

Vehicle Condition: Premium original paint, complete documentation
