

Machine Name : Vertical Machining Center

Brand : DAHLIH

Machine Model : MCV-1350

Stock No. : 67011

Ex-factory Date : 2007

Main Technical Parameters:

Worktable size is approximately 1350×650 mm

three-axis travel: X- 1350mm, Y- 630mm, Z- 700mm

spindle taper is CAT 50 / BT50

spindle speed range is 35 to 3500 rpm

The magazine capacity has a capacity of 24 to 32 Tools

Worktable load of approximately 1,500 kilograms
