

Machine Name : CNC turning lathe

Brand : Takisawa

Machine Model : EX-108II

Stock No. : 811125

Ex-factory Date : 2025

Main Technical Parameters:

CNC System: FANUC TFPuls

8-inch chuck

Spindle through hole: 63 mm

Tool turret positions: 12 positions, servo-driven

Spindle power: 11/15 kW

Maximum machining diameter: 320 mm

Maximum machining length: 480 mm

Machining Accuracy: 0.005 mm
