

Machine Name : Boring and milling machine

Brand : PAMA

Machine Model : AT130

Stock No. : 67028

Ex-factory Date : 2013

Main Technical Parameters:

three-axis travel : 3000x2600x2300mm
Worktable Footage :2200x1800mm, load-Load: 16 tons
spindle diameter: 130mm
Spindle speed: 4000rpm
tools magazine : 60 chain-type tools magazine
CNC System : FANUC 31i with four-axis glass scale
power : main motor 55kW
