

Machine Name : CNC Internal Grinding Machine

Brand : Paragon

Machine Model : RIG150

Stock No. : 67029

Ex-factory Date : 2015

Main Technical Parameters:

Grinding range: 6-150 mm

Grinding depth: 150 mm

Worktable rotation diameter: 520 mm

Spindle speed: 5-800 rpm

Max. Z-axis worktable speed: 9000 mm/min

Max. worktable travel: 540 mm

Height from grinding wheel spindle center to floor: 1100 mm

Machine dimensions (L x W x H): 2600 x 1800 x 1700 mm

Machine weight: 2200 kg

Configuration:

8-inch hydraulic chuck

With end-face grinding spindle
