

Machine Name : CNC milling machine

Brand : Toshiba

Machine Model : BTD200QH

Stock No. : 67030

Ex-factory Date : 2016

Main Technical Parameters:

CNC System: Toshiba T999 CNC System

Spindle speed: 3000rpm

The B-axis is equipped with a glass scale of one ten-thousandth of a degree
three-axis travel: 1500x1200x700mm

The W axis extends by 400mm

30 BT50 tools magazine

Load-Load: 3 tons

With a full close-loop glass scale
