

Machine Name : Machining Center

Brand : QUASER

Machine Model : V-1270

Stock No. : 67076

Ex-factory Date : 2022

Main Technical Parameters:

three-axis travel: 1200x700x650mm

CNC System: FANUC MF

Worktable size: 1360x700mm

tools magazine: 24 pieces

spindle: BT50

It is equipped with a center flushing outlet, an oil chiller, a hydraulic station, and a chip conveyor
