

Machine Name : Cylindrical grinder

Brand : MSO

Machine Model : R-338/2500 CNC

Stock No. : 4810864

Ex-factory Date : 2005

Main Technical Parameters:

CNC System: Siemens 840D

Center height: 338mm

Swing diameter: 676mm

Machining length: 3500mm

Configuration:

The grinding head can swing left-right at an Angle

Equipped with SBS grinding wheel dynamic balancing device

End face measuring instrument
