

Machine Name : CNC turning lathe

Brand : Gamma

Machine Model : T3-200

Stock No. : 67087

Ex-factory Date : 2025

Main Technical Parameters:

CNC System: Siemens 828D

Spindle speed: 4200rpm

Maximum rotation diameter of the bed: 550mm

Maximum rotation diameter of the saddle: 350mm

Maximum turning diameter: 370mm

Standard turning diameter: 210mm

Maximum travel of the Z-axis: 510mm

Maximum travel of the X-axis: 200mm
