

Machine Name : Conventional trucks

Brand : Dongfeng Tianlong

Machine Model : DD465

Stock No. : 67132

Ex-factory Date : 2022

Main Technical Parameters:

Engine: Dongkang 14-liter engine with 520 horsepower

Transmission: ZF automatic transmission

Hydraulic retarder: Equipped with a hydraulic retarder

Speed ratio: 2.47

Tires: All 8 layers of new tires on the vehicle

Airbag bridge, flat floor, dual floating screens, with L2-level autonomous driving
