

Machine Name : turn mill center

Brand : MURATA

Machine Model : MW40

Stock No. : 811368

Ex-factory Date : 2015

Main Technical Parameters:

Distance between the two spindles: 430 mm

Diameter of the chuck that can be installed on the spindle: 135 mm

Maximum machining diameter: 135 mm

Maximum machining length: 150 mm

X / Z-axis travel: 155 × 170 mm

Spindle rotational speed: 80 to 8000 rpm
