

Machine Name : CNC turning lathe

Brand : Gamma

Machine Model : T3-200L

Stock No. : 811401

Ex-factory Date : 2025

Main Technical Parameters:

CNC System: Siemens 828D

X-axis travel: 200 mm

Z-axis travel: 510 mm

Maximum Swing diameter of the bed: 550mm

Maximum Swing diameter of the saddle: 350mm in diameter

Maximum machining diameter: 370mm

Standard machining diameter: 210mm

12-position servo tool turret

8-inch chuck
