

Machine Name : Cylindrical grinder

Brand : Tsugami

Machine Model : G300A-300

Stock No. : 67393

Ex-factory Date : 2011

Main Technical Parameters:

CNC System: FANUC 0i-TD

Maximum grinding diameter: Ø 300mm

Maximum grinding length: 300mm

Distance between centers: 300mm

Center height: 150mm

workpiece weight: 50 kg

grinding wheel size: Ø 405x50x127mm

spindle speed of the grinding wheel is 1800 rpm

Longitudinal travel of Worktable: 350 mm

The lateral travel of the grinding wheel frame: 150mm

Overall Footage: 3200x2000x1800mm
