

Machine Name : CNC turning lathe

Brand : CHARLES

Machine Model : JG-300

Stock No. : 67429

Ex-factory Date : 2016

Main Technical Parameters:

CNC System: FANUC 0i-TD

chuck specification: 10-inch hydraulic chuck

spindle head type: A2-8

Tool turret type: 8-station tool turret

Rotary diameter: 670mm

machining diameter: 400mm

machining length: 550mm

machine tool weight: 5,600 kg
