

Machine Name : Vertical Machining Center

Brand : Taikan

Machine Model : T-V850

Stock No. : 67484

Ex-factory Date : 2020

Main Technical Parameters:

CNC System: Mitsubishi M80

three-axis travel: 850x500x530mm

spindle taper: BT40

Spindle speed: 10,000 RPM

Worktable size: 900x500mm

Worktable load: 600kg

tools magazine: 24 pieces

Configuration

spindle is equipped with oil cooling, machine is equipped with hydraulic, and it is equipped with a laser probe.
